High quality hands-free function

# Alcatel F890 Voice

## Premium Call Block function\*

- **Automatic mode, easy to use and set:**
  - All contacts saved in phonebook call as usual
  - Other contacts are invited to enter a code to make the phone ring. Callers who can't enter the code are rejected or allowed to leave a message on the answering-machine (depending on setting)
  - Automated calls are directly rejected and blocked.
  - Anonymous, international or unknown numbers can also be permanently blocked.
  - Night mode (time slots), VIP mode and Contacts mode

- **Manual mode:**

Thanks to the dedicated key, numbers can be blocked one by one during ringings, calls or answering machine message (1000 entries).
