

ALCATEL

home & business phones

Alcatel

TH120

TH125

Efficiency above all

➤ The business headset **compatible with the Alcatel phones**

➤ Enhanced comfort for **intensive use** thanks to light weight, **leatherette ear pads** and to the **flexible microphone arm**

➤ **Noise-cancelling microphone** and **wideband sound** for crystal-clear and optimum calls

➤ **Monaural model** (Alcatel TH120) to keep in contact with your environment or **binaural model** (Alcatel TH125) to stay focused when working in noisy atmospheres

Cord : 3700601414509

Main features

- Two versions:
 - Monaural Alcatel TH120
 - Binaural Alcatel TH125
- 270° rotating flexible microphone arm
- Mobile earpiece(s)
- Wide band sound
- Noise-canceling microphone
- Leatherette ear cushions

Transmit features (mic)

- Sensitivity @1 kHz -36 ± 3dBV/Pa
- Frequency range from 100 to 8 400 Hz
- DC range 1.5 to 5V
- Noise cancellation -14 dB
- Output impedance < 2.2 kΩ

Receive features (earpiece(s))

- Sensitivity
 - Monaural 106 dB SPL (1kHz, 1mW)
 - Binaural 103 dB SPL (1kHz, 1mW)
- Frequency range from 20 Hz to 7 kHz
- Acoustic limit 116 dB SPL
- Input impedance
 - Monaural 150 ± 25Ω
 - Binaural 300 ± 50Ω

Technical data

- Weight
 - Monaural : 44g
 - Binaural : 74g

Package content

- Headset
- Carrying bag
- 1 foam ear cushion
- User's guide
